

Youth leadership group:

Our mentors teach by example, the importance of being on time and doing well in school and avoiding wrong choices.

Our objectives:

- To help our youth to integrate positively in Canadian society through our mentoring activities
- To maintain an environment of respect, tolerance and truthfulness.
- provide a role model and teach by action.
- promote peace and reject all kind of violence
- Have a healthy relationship with your teachers, family and peers.
- Train our youth to be productive and good citizens, in order to build the future leaders of the community.
- To combine educational activities and lifelong values with fun. (Building skills while having fun!)
- To develop academic excellence by encouraging critical thinking, problem solving, direct interactions and communication skills.
